Super Market Missions

by Astroash94

Summary

Her back is pressed against the canned fruits in her isle. This is crazy, she is crazy. And invasive! This is so invasive, right? She's insane. She's not doing it. She's finishing her shopping and going home she's-

She's doing it.

****

Will Graham's spy kids are back at it once again.

"I told you not to come," A familiar voice says from the produce isle.

Amelia pokes her head around the corner to confirm. "I didn't say anything, dear Will."

Oh, *oh* that one is going *straight* to the group chat, yes sir.

In the moment that she'd chanced her glance at the source of the voices, Dr. Graham had been facing away from her. He has on the same type of outfit as usual and doesn't stand out in the store half as much as the man dubbed 'Dr. Boyfriend' does. 'Dr. Boyfriend' is not in *normal people* clothing, like most would wear to go grocery shopping. Nope, he is once again in his fancy 'look, I'm rich' outfit. Amelia is tempted to believe he doesn't have *normal people* clothes at all.

Graham scoffs, exaggerates it, "No, but you're thinking it."

Her back is pressed against the canned fruits in her isle. This is crazy, *she* is crazy. And invasive! This is so invasive, right? She's insane. She's not doing it. She's finishing her shopping and going home she's-

"See! You're brooding." Graham continues.

She's doing it.

Amelia Daniels

They're arguing in the grocery store.

Hayden Couch

Who?

Amelia Daniels

He called him DEAR WILL

Hayden Couch

Graham and Dr.bf?

Hayden Couch

Oh, gotcha

Levi Banfield

They grocery shop together?? Goals actually

"I do not 'brood', William, I'm not 'brooding'."

"Yes, alright." Graham allows for a long moment, there's the sound of items being set into the shopping cart. "Except for the part where you *are*."

Amelia Daniels

Apparently not often

Amelia Daniels

Graham said he told him not to come

Georgia Mason

What are they arguing about

Amelia Daniels

I'll get back to you

"I only meant-" The boyfriend starts only to be cut off.

"No, I know what you meant, Han, and I'm not goin' to your multi-million dollar grocery store when Walmart does just fine."

"This isn't a Walmart, William."

"Yeah, I know. And only because I thought you might kill me if it were."

Winnie Dean

Could be anything really, I can't imagine what they'd have in common.

Amelia Daniels

HAN

Amelia Daniels

Dr.Bf is Han

Amelia Daniels

But not like the name. like, Han/Hans not like that

Amelia Daniels

Like... uh, Hannah? Hanson?? Hand???

Amelia Daniels

Idk, but like, that sound. not like the villain in frozen

Ryan Dickenson

why frozen

Levi Banfield

HEY! Frozen is a good ass movie

Winnie Dean

Sureee, if ur 5

"This is not one of your dinner parties," Graham is ranting, "I am making dinner. *One* dinner. I told you, the fish is fresh and you can pick out one of your expensive wines. But I'm making it and I'm making it my way, with shit I know how to use. You don't have to eat it, fine, but I'm making it because I would like to make something other than dog food for once."

"I can make the dogs food," ~~Dr. Boyfriend~~ Han offers.

Graham pauses in his rant. Amelia can imagine the slow blink of disbelief, because its what she's doing now, just listening to them.

Amelia Daniels

Ok, I thought it was maybe about money? And then they started talking about dinner parties and homemade(?) dog food and now I don't know what's happening

Levi Banfield

Thats not helpful

Hayden Couch

Yeah, Graham would make his own dog food

"Are you being purposefully obtuse?"

~~Dr. Boyfriend~~ Han doesn't say anything and a moment later says, "Just go wait in the car."

Amelia Daniels

G told him to wait in the car, uhhhhhh

"The fresh-"

I won't," Graham starts like it's another argument but then calms midway through his sentence, "Get the frozen ones. Just, I know you hate it in here, just go outside. It's fine. I'm almost done anyway,"

She can hear the rolling of never grocer cart wheels moving away, and then-

Amelia Daniels

Oh shit

Amelia Daniels

Gotta run gotta run gotta run

She sideswipes Professor Graham's boyfriend in her effort to get *away* from them both. "Oh, god, I'm sorry,"

He blinks at her like he might recognize her but can't exactly place it, "It's quite alright,"

End Notes
